This competition is open to all eligible, restricted, reinstated or readmitted persons as defined by the Eligibility Rules.

Skaters must be a currently registered member of a U.S. Figure Skating member club, Learn to Skate USA member, a collegiate club or who is an individual member in accordance with the current rulebook. For non-U.S. citizens, please refer to the [rulebook](#) for more information.

SERIES INFORMATION:

This event is part of the Southern California Inter-Club Invitational Series. Top point scorers at the end of the season will be invited to the Invitational Final. Please see the Southern California Inter-Club Association website at <http://www.socalinterclub.org> for more information

II. ELIGIBILITY

TEST LEVEL:

As of December 1, 2022, singles athletes may opt to accelerate their test progression within U.S. Figure Skating and thus compete at level(s) best suited for their technical skillset. Athletes must still meet the minimum requirements for each level and additionally, if participating within the National Qualifying Series (NQS) or National Excel Series (Excel), they will establish a **competitive floor**.

The **competitive floor** is the lowest level an athlete can compete at and is determined only by the level selected through the EMS Series Application for NQS or Excel and is not uniquely tied to competition registration (regardless of series participation).

Eligibility Notes:

1. If an athlete participates in BOTH Excel and NQS, their NQS level may be ONE lower than their Excel level. For example, if an athlete skates Junior Excel, they may skate Novice NQS.
2. The singles free skate test levels will remain as a minimum requirement to compete.
3. Athletes may not skate down in any event.
4. This update does NOT apply to Adult, Showcase and Solo Dance.

If an athlete, coach, parent and/or guardian needs assistance with confirming their eligibility, email events@usfigureskating.org or refer to information sheet [HERE](#).
