COACHES

To be an eligible coach at a nonqualifying competition, coaches must meet the applicable compliance requirements and verified by U.S. Figure Skating. Coach compliance falls into two categories, Coach Compliance (includes choreographers) and Learn to Skate USA® Instructor Compliance. Details regarding compliance requirements can be found [HERE](#). All compliance requirements must be met at the time of check-in to access the competition, no exceptions.

Each team will receive a maximum of four coach credentials and two team service personnel credentials, as well as one credential for each skater on the competition roster. To receive a credential at the competition, team personnel (coaches and team service personnel) and any mandatory athletes must meet all compliance requirements for the current season.

Coaches of foreign athletes: If you are a coach of a foreign athlete only, you are not subject to U.S. Figure Skating coach compliance and will only be asked to provide a letter of good standing for the federation your athlete represents.

With EMS, coaches must be included within a skater/team's registration or updated through their EMS Skater Portal via "[My Coaches](#)" or "Team Personnel." All coaches declared at the time of registration will be included on the registration confirmation email. Note: There is no registration approval process within EMS as the data (membership and test level) is tied to the U.S. Figure Skating database. Non-compliant coaches will receive automated email reminders through the start of the competition.
